Dedication

We, the Senior Class of 1952, dedicate this, our annual, to the ideal of international friendship and good will, and to the accomplishment of freedom and equality of opportunity for all humans; -- the chance to receive an education and the right to work at a job freely chosen. We believe that these things can lay a good cornerstone for a peaceful world, which citizens of all nations can enjoy. We hope that we may be able (quoting from the Atlantic Charter) to "see established a peace which will afford to all nations the means of dwelling in safety within their own boundaries, and which will afford assurance that all the men in the all lands may live out their lives in freedom from fear and want." Perhaps in the future we may be able to help create a better understanding among the peoples of the world, and to promote the feeling of brotherhood among nations.

Administration

"Anything worth doing is worth doing well." This is the motto selected by the class of 1952. The success of any venture depends upon how completely this motto is followed.

The task of administration is to facilitate the doing of each and every activity in a better and more worthwhile manner. Our job is to oil the wheels of your progress so that through these activities you develop physically, mentally, socially, and morally.

We hope we have been good "oilers" and can continue to help you to even greater achievements in all of your future endeavors.

Dear Marianne,

It's been ten years since you were an exchange student in our class of '52'. Perhaps you would like to know what has happened to your former classmates in the U. S. A.

Marilynn Wise has really gone "up" in the professional world. She is a pilot for the Smooth Smith Airlines of which she and her husband are co-owners.

You would never recognize Augie Burns. When he was called to service he went without hesitation because he thought with his height he could easily see the world. But poor Augie! He contracted a tropical disease and shrunk to four feet, eight inches. Can you imagine it ????????

Jack Graber is now doing the Tarzan series in the movies. He feels right at home -- because his old pal Ed Hren is taking the part of Cheetah, the monkey, in the same series.

You'd never guess who is designing French bathing suits in Paris -- none other than that shy friend of ours -- little Wally Mullins! He has made quite a name for himself with his latest creations. He has a lovely model working for him. She goes by the name of Lila Lione but she's really our former classmate, Pauline Sweney.

Margaret Fisher has surprised everyone. No one would suspect her of being a sly woman detective working for the F. B. I. Her latest assignment is to find out what became of Harry Truman after the 1952 elections.

You have probably heard or read accounts of Tom Schuster's daring war record in the Air Force. While taking a furlough in Hawaii he met a beautiful Hawaiian Princess and they are happily married.

Jeanette Eggert's frequent giggles finally paid off. She is now making a fortune by starring as Smiley Burnette's girlfriend, Laughing Lily, in the movies.

Several of our former classmates have made good in the movies. Bill Antrim has his own studio in Hollywood and has turned out several entertaining films. His latest movie "Cheaper by the Half Dozen" featured that pretty actress, Dimples Delight, who is really Flora Maye Guernsey.

I think you'll agree that Marjean Frame has quite an interesting job. She is the matron of Welcome Home, a place where lonely old bachelors come to spend the rest of their lives.

In the Women's Air Corps, one of our classmates has achieved a high position. Commanding Officer Carol McNeill keeps the young ladies in her squadron right on their toes.

Paul Riley has become a Methodist Minister. His sermons are widely read and loved. He has inspired many and helped them in time of need.

I'd like to stop right here and congratulate you, Marianne, for the splendid work you are doing in Europe. I read the article in the NEW YORK TIMES that told how you are traveling extensively giving lectures on the American Way of Life.

Southern Indiana has gained a worthy citizen. Bob Piepho has moved there and has made many friends in his locale. He knows they will come to him sooner or later with their undertakings. You see, he is the community's mortician.

Jenneane Anderson is driving a sleek new limosine nowadays. She has made thousands with her chain of drive-ins all over the country. She has become famous for making Butch's Bulging BarB-Q's.

Bill Urbas is seeing a great deal of the U. S. free. He is a traveling salesman, using the company's money. He sells anything from curry combs for horses to reducing machines for fat women.

You'd never guess who is now a popular night club singer. She is touring the country singing with big-name bands in various night spots. She goes by the name of Fu-Fu Filleyes but she's better known to us as Hester Muzzall.

Mary Fickle has done a good deed for the DeMotte community. She married her schoolday sweetheart and they have five husky little boys which will make a splendid basketball team in future years.

Howard Hickman discovered his ambition was to be a doctor. He is now a famous surgeon in a New York City Hospital for Animals.

There is a handsome young man on television who thrills the ladies with his romantic poetry reading and singing. Yes, women from 16 to 60 simply idolize Crooner Kent who is really Kenton Hoover.

Janet Wahl is another who cares more for the simple life. She and her handsome husband are farmers. They have 21 cows, 37 hogs, 4 horses, 19 sheep, and 6 kids (children, that is). Did I say, "simple life" ???????

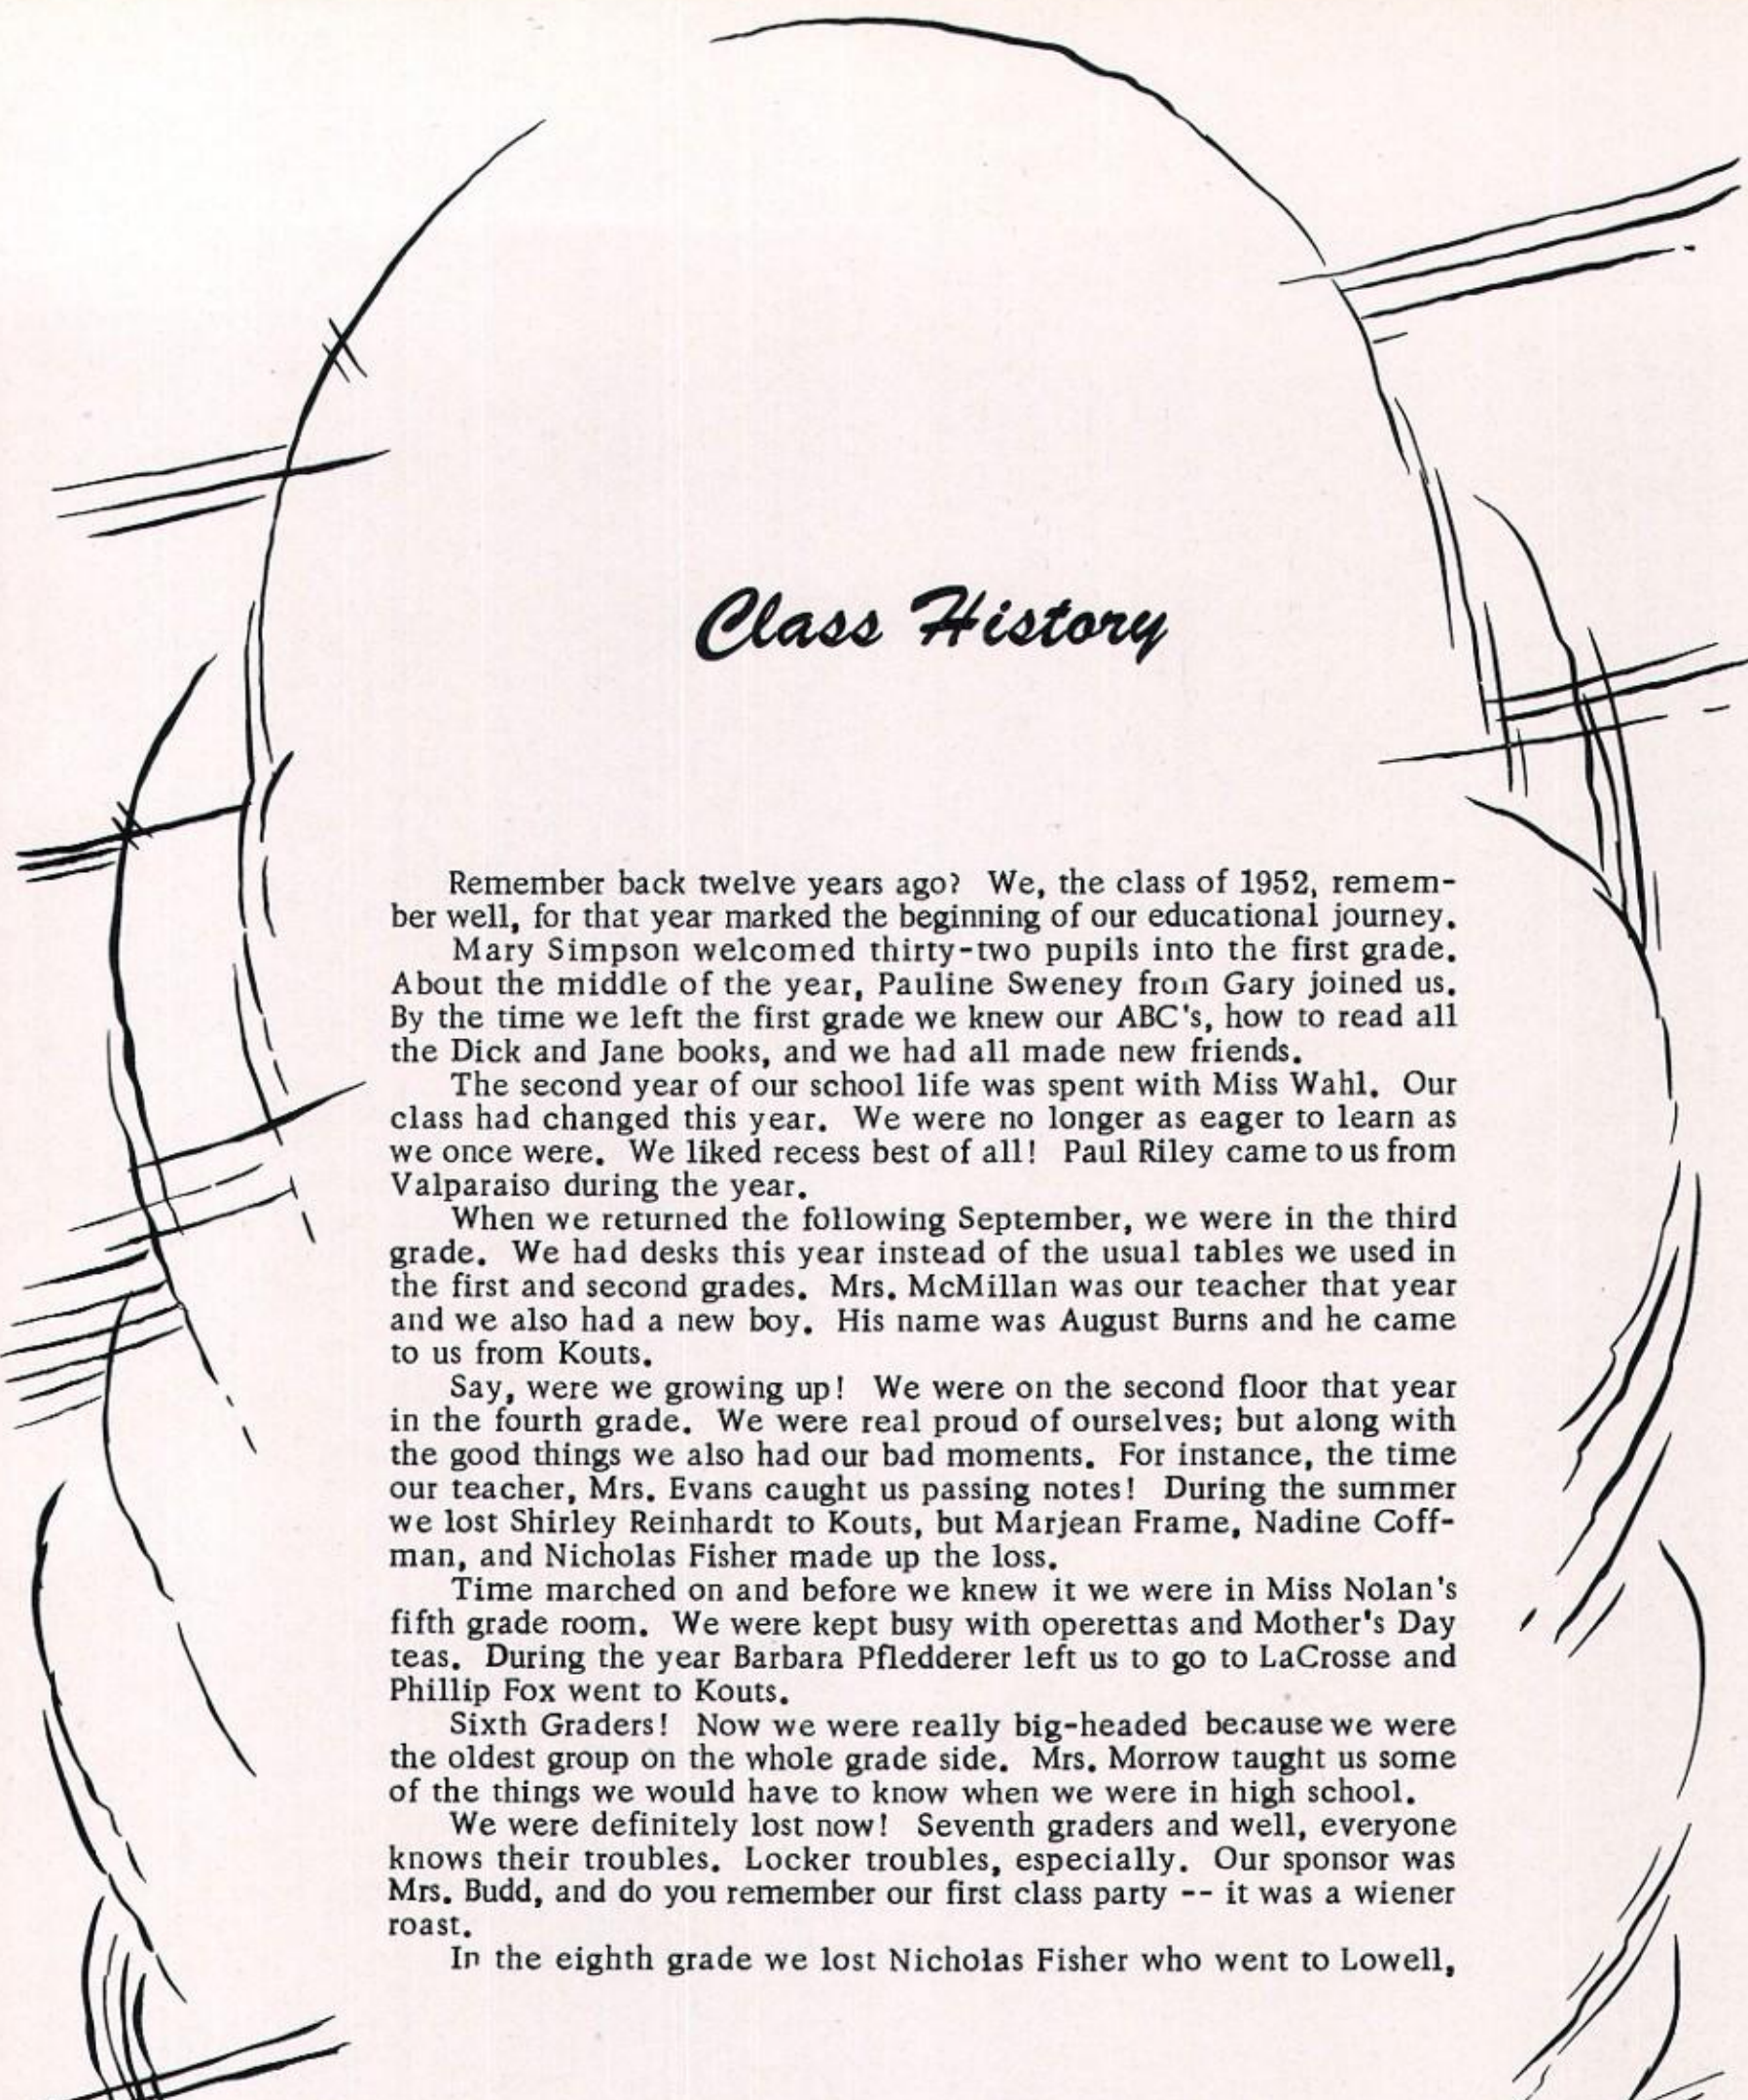

Quite popular with the teenagers are the song recordings of "Bev and Barb" (Thomas and Wilson, respectively.) They are touring the country in USO shows and are not only popular with teenagers but have become servicemen's favorite "Pin Up Girls".

As for me, my husband and I are owners of the Double W. Dude Ranch out here in Arizona. We have many famous guests -- just last week the Lone Ranger stayed here. This week for entertainment we are featuring Les Paul and his band. Guess who is his Number 1 guitarist. None other than Shirley Birky. She has become an accomplished musician and has played all over the world.

Time is running out. I shall be glad to hear from you often.

Sincerely,

(the former) Mary Wright

Class History

Remember back twelve years ago? We, the class of 1952, remember well, for that year marked the beginning of our educational journey.

Mary Simpson welcomed thirty-two pupils into the first grade. About the middle of the year, Pauline Sweney from Gary joined us. By the time we left the first grade we knew our ABC's, how to read all the Dick and Jane books, and we had all made new friends.

The second year of our school life was spent with Miss Wahl. Our class had changed this year. We were no longer as eager to learn as we once were. We liked recess best of all! Paul Riley came to us from Valparaiso during the year.

When we returned the following September, we were in the third grade. We had desks this year instead of the usual tables we used in the first and second grades. Mrs. McMillan was our teacher that year and we also had a new boy. His name was August Burns and he came to us from Kouts.

Say, were we growing up! We were on the second floor that year in the fourth grade. We were real proud of ourselves; but along with the good things we also had our bad moments. For instance, the time our teacher, Mrs. Evans caught us passing notes! During the summer we lost Shirley Reinhardt to Kouts, but Marjean Frame, Nadine Coffman, and Nicholas Fisher made up the loss.

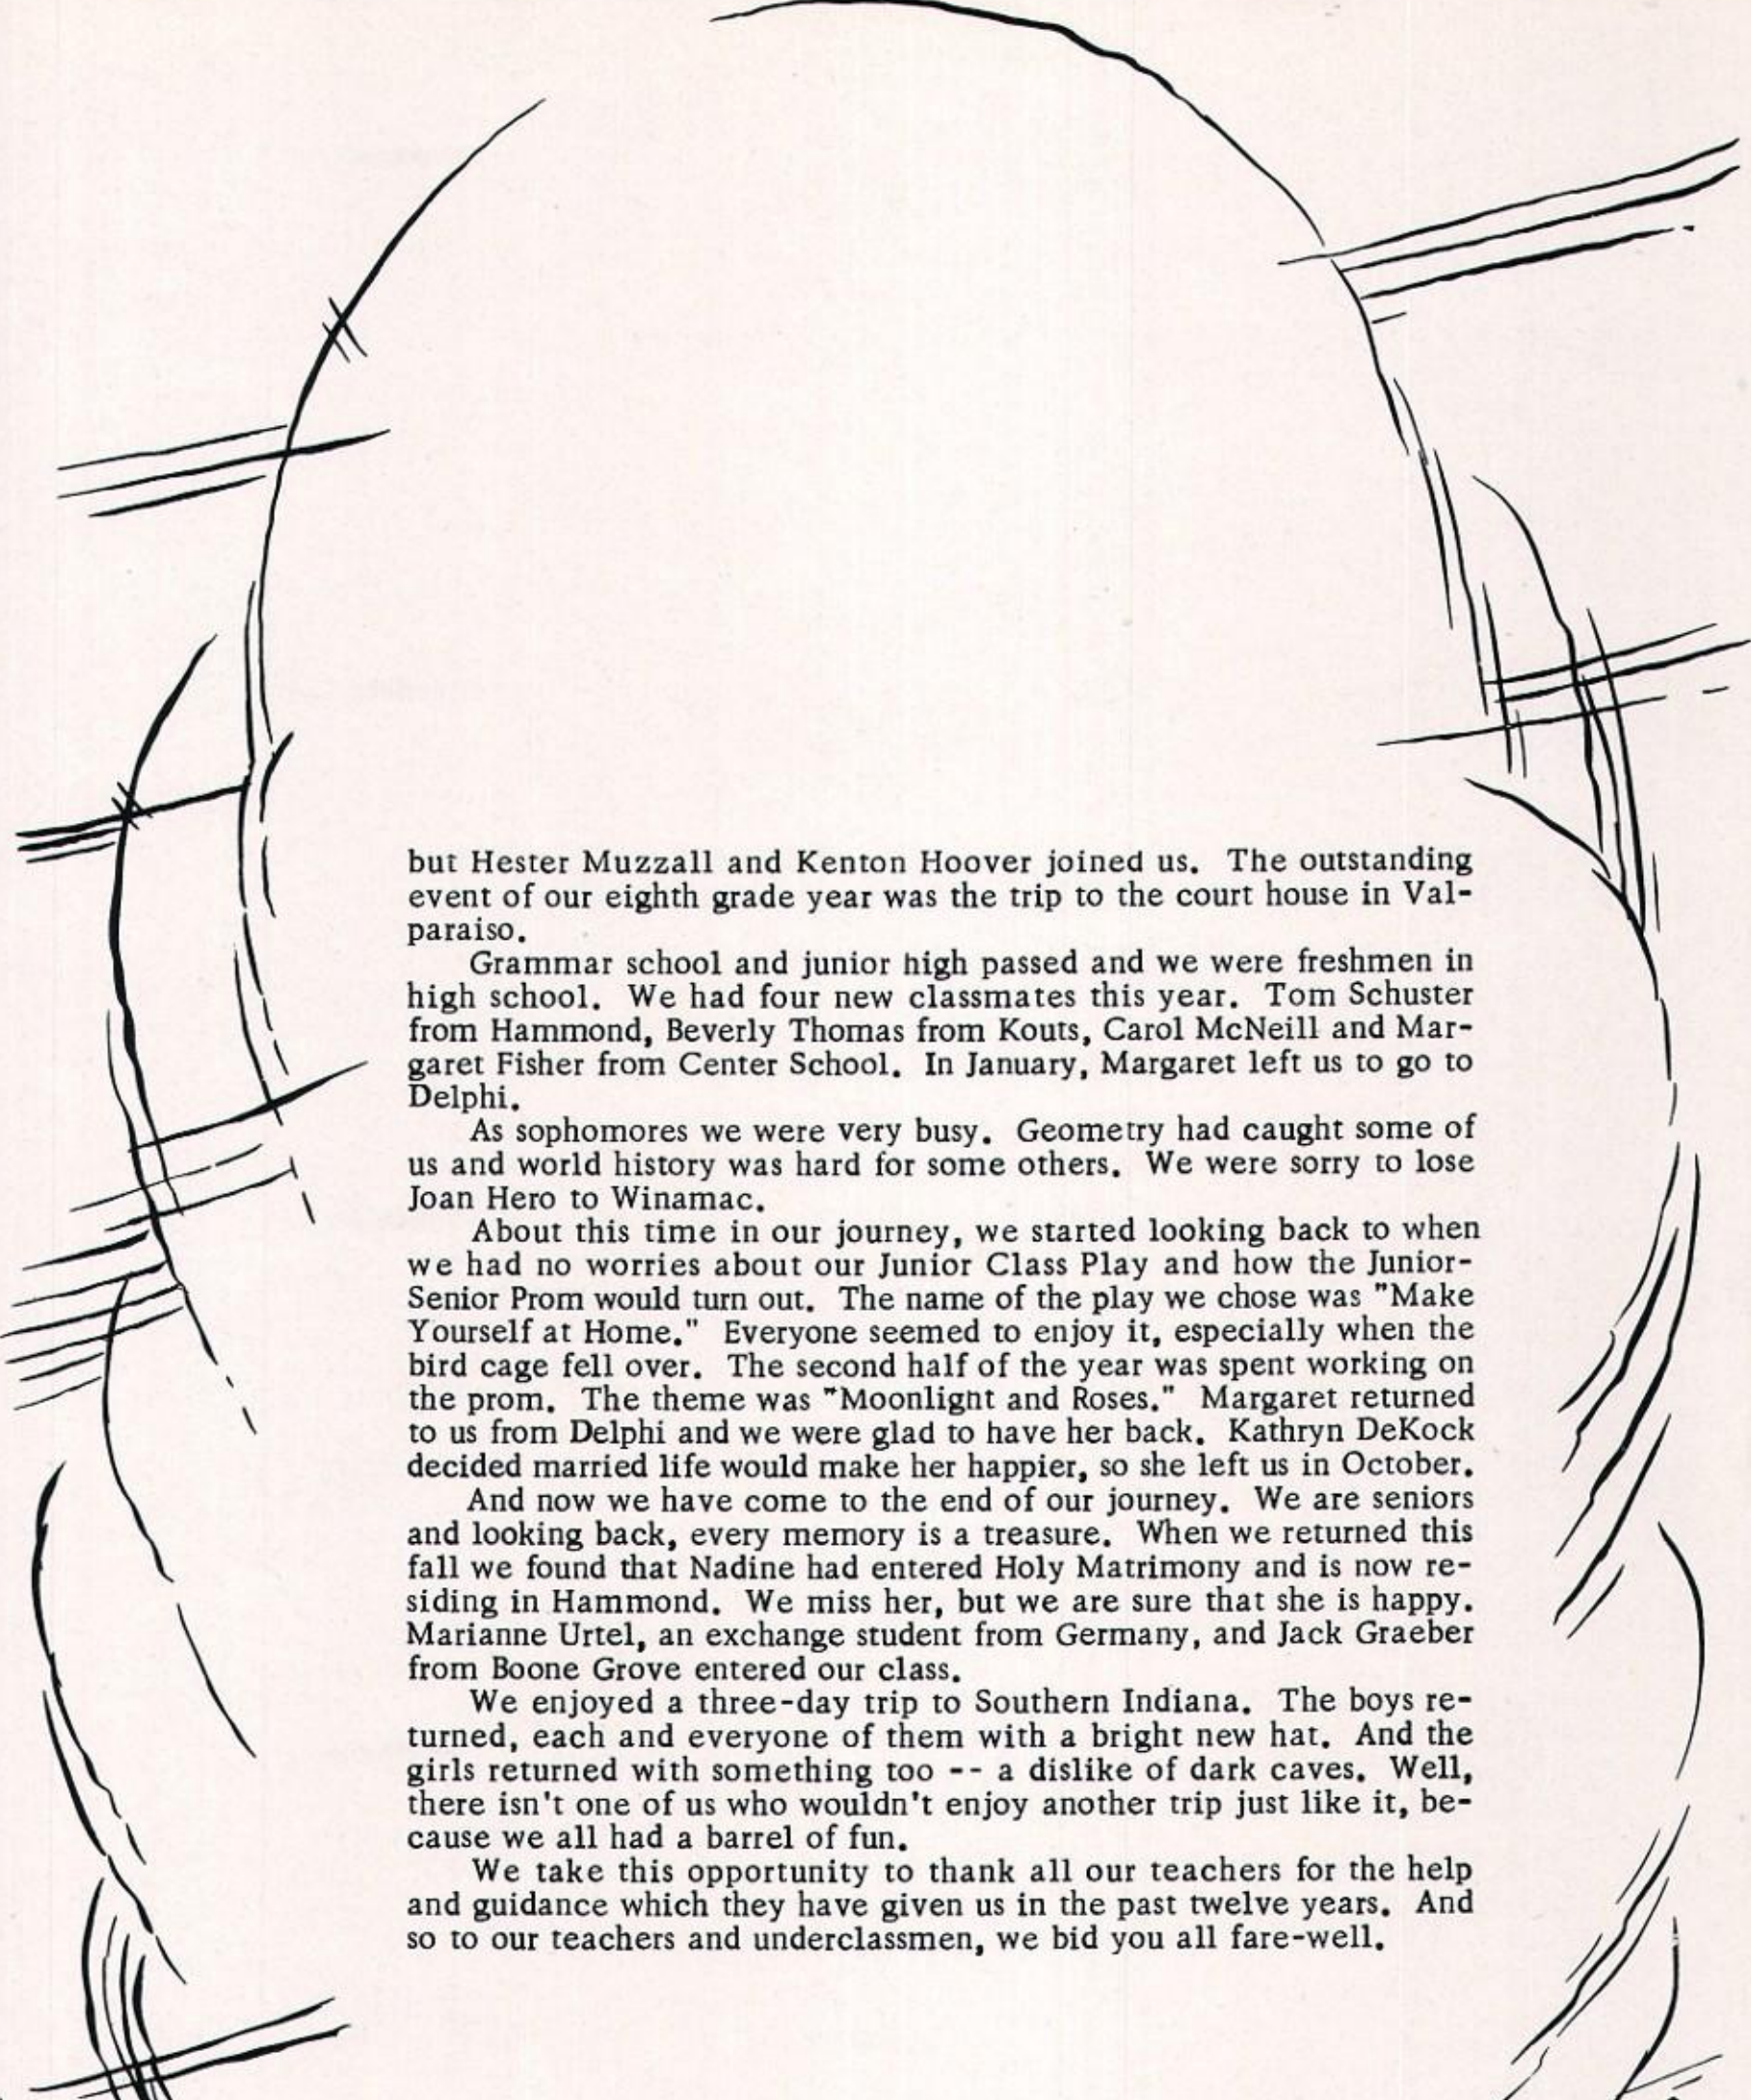

Time marched on and before we knew it we were in Miss Nolan's fifth grade room. We were kept busy with operettas and Mother's Day teas. During the year Barbara Pfledderer left us to go to LaCrosse and Phillip Fox went to Kouts.

Sixth Graders! Now we were really big-headed because we were the oldest group on the whole grade side. Mrs. Morrow taught us some of the things we would have to know when we were in high school.

We were definitely lost now! Seventh graders and well, everyone knows their troubles. Locker troubles, especially. Our sponsor was Mrs. Budd, and do you remember our first class party -- it was a wiener roast.

In the eighth grade we lost Nicholas Fisher who went to Lowell,

but Hester Muzzall and Kenton Hoover joined us. The outstanding event of our eighth grade year was the trip to the court house in Valparaiso.

Grammar school and junior high passed and we were freshmen in high school. We had four new classmates this year. Tom Schuster from Hammond, Beverly Thomas from Kouts, Carol McNeill and Margaret Fisher from Center School. In January, Margaret left us to go to Delphi.

As sophomores we were very busy. Geometry had caught some of us and world history was hard for some others. We were sorry to lose Joan Hero to Winamac.

About this time in our journey, we started looking back to when we had no worries about our Junior Class Play and how the Junior-Senior Prom would turn out. The name of the play we chose was "Make Yourself at Home." Everyone seemed to enjoy it, especially when the bird cage fell over. The second half of the year was spent working on the prom. The theme was "Moonlight and Roses." Margaret returned to us from Delphi and we were glad to have her back. Kathryn DeKock decided married life would make her happier, so she left us in October.

And now we have come to the end of our journey. We are seniors and looking back, every memory is a treasure. When we returned this fall we found that Nadine had entered Holy Matrimony and is now residing in Hammond. We miss her, but we are sure that she is happy. Marianne Urtel, an exchange student from Germany, and Jack Graeber from Boone Grove entered our class.

We enjoyed a three-day trip to Southern Indiana. The boys returned, each and everyone of them with a bright new hat. And the girls returned with something too -- a dislike of dark caves. Well, there isn't one of us who wouldn't enjoy another trip just like it, because we all had a barrel of fun.

We take this opportunity to thank all our teachers for the help and guidance which they have given us in the past twelve years. And so to our teachers and underclassmen, we bid you all fare-well.

Class Will

We, the Class of 1952 of Hebron High School, being of sound mind do hereby will and bequeath to our underclassmates, the following:

HEBRON'S BILL URBAS GETS GOLD BASKETBALL AWARD

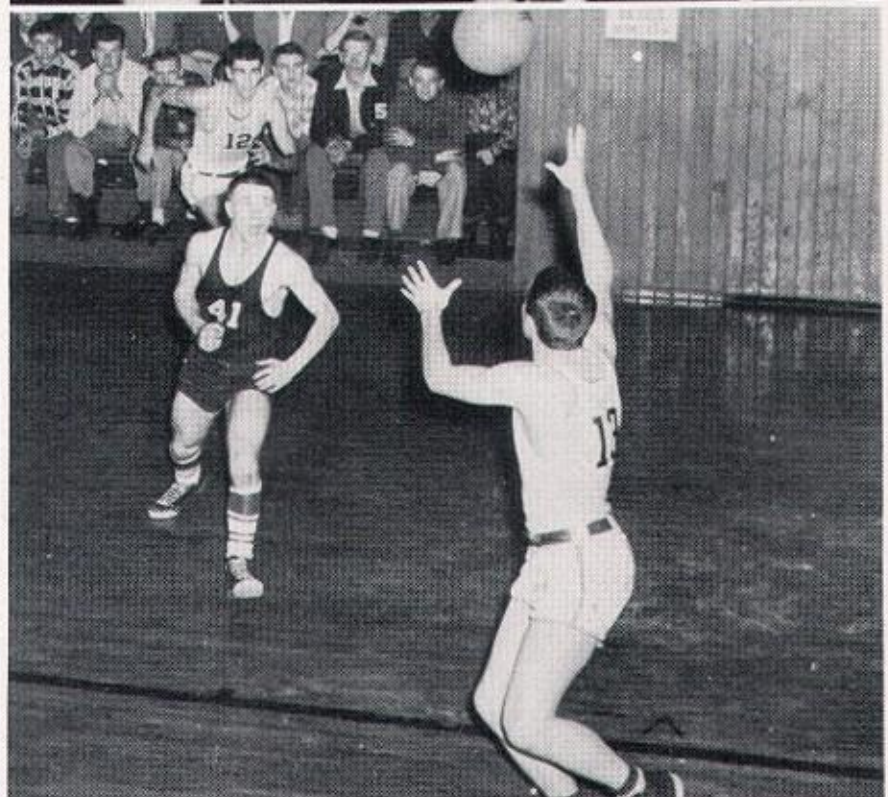

Vincent (Bill) Urbas, steady senior cager with the Hebron Hawks, was presented the top individual award--the Gold Basketball, after the 29th annual Porter County high school tournament, January 19, 1952.

Urbas, a 17 year old senior, 5'-11", marksman was considered the cream of the tournament players by the committee and received the award from M. M. Hague, principal of Kouts High School.

The new Gold Basketball winner scored 33 points on 13 field goals and seven free throws in the three games played in the tourney by Hebron's quintet. His aggression and rebounding, offensively and defensively, kept the Hawks in contention all the way. Bill's greatest effort came in the first round when he scored 19 points at which Hebron eliminated the favored Wheeler Bearcats by an overwhelming margin.

In the 1952 Sectional at Valpo the Hawks had a tough row to hoe, by drawing Kouts for their first game. However, they did a nice job on Kouts by defeating them 64-34. In their second game they didn't have the push to beat Chesterton. All in all the Hawks had a wonderful season with a marvelous record of 16-7.

During the fall of our junior year we presented the play "Make Yourself At Home."

The cast expected Rosey, the pig, to run out on stage; but they were surprised when the bird cage fell over.

The play cast was composed of Paul Riley, Kathryn De Kock, Jeanette Eggert, Bob Piepho, Howard Hickman, Bill Urbas, Barbara Wilson, Marilyn Wise, Jeaneane Anderson, and Tom Schuster. The faculty director was Miss Minniear, and the student director was Nadine Coffman.

Class Play and Prom

The Junior-Senior Prom was held in May, 1951. A formal dinner was served in the library which was decorated in purple and white, the senior class colors. Bob Piepho was master of ceremonies, Beverly Thomas, the junior class president, gave the welcome; and Don Wilson, the senior president gave the response. Margaret Fisher read the prophecy and Tom Schuster read the class will.

The prom was held in the gym which was beautifully decorated to the theme of "Moonlight and Roses." Tom Osby was crowned king, and Phyllis Henning, queen. Everyone enjoyed dancing to the music of Glen Martin's orchestra.

The Senior Class of Hebron High School feels that the production of the Seneca is a community project as well as a school project. This is an annual event which could not be accomplished without the aid of merchants of Hebron and its surrounding communities, therefore, the Senior Class of 1952 wish to thank the businessmen of Hebron and the surrounding communities for the financial help given them.
